

AeroPM Capability Flyer

AeroPM is an award-winning Veteran-owned and Australian-owned professional services consulting firm. We support Defence and CASG in an above-the-line capacity to acquire and sustain complex assets through the Defence Support Services (DSS) Panel and Major Service Providers (MSPs).

Our expert team is trusted to support and deliver complex projects within Defence and CASG across the following skill sets:

Project Management

Engineering

Test and Evaluation

Integrated Logistics Support

Airworthiness & Certification

Commercial Services

Capability Management

FIC Coordination

Above-the-Line Consultancy of Choice for Defence

AIR

MARITIME

LAND

JOINT

E&IG

CIOG

Our Point of Difference is our People

“We pride ourselves on providing high-quality professionals into Defence and CASG complex acquisition projects; professionals who will enhance your capability delivery”

– Emily Frizell, AeroPM CEO

Access AeroPM resources via two avenues

Access us direct through the CASG Defence Support Services (DSS) Panel

Via your Major Service Providers (MSPs) Integrated Work Package (IWP) Lead

Benefits of Engaging AeroPM

AeroPM only submits candidates through response to DSS Panel RFQTS or through the MSP if in our experience we believe they are a perfect fit for the role. This ensures that the CoA or MSP delegate responsible for evaluating our response does not waste undue time and effort. If we do not have a suitable resource, then we will simply provide a ‘NO BID’ response.
